

LWVSFC Action & Advocacy *Report to Board* December 15, 2020

Website

A&A Board reports are now posted on the website under Committee Reports on the A&A page. They will be posted following each Board meeting.

Midtown Campus Project

Chris continues to try and schedule a meeting for 2-3 A&A members with Michael Pride, the public engagement consultant on the project.

City Salary Commission

Judy Williams reported that Mayor Webber reached out to her about the possibility of a League member serving on the Independent Salary Commission. By ordinance, the commission must review the mayor's salary in the calendar year prior to an election. Jody Larson volunteered to follow up.

SFCC

The committee hopes to recruit a volunteer to observe and report on these Board meetings as Irene Epp is no longer to do this.

Civil Discourse

Irene Epp updated the committee on plans for future 'listening sessions.' The committee discussed whether these sessions should be open to all League members rather than just to the Civil Discourse Project committee.
