

LWVSFC Action & Advocacy *Report to the Board*

August 17, 2021

Old Business

Independent Salary Commission

The Commission will be re-established in 2024 under the amended ordinance for the 2025 election cycle.

CHART

All members will be notified when groups and/or individuals can sign up to participate.

Reports

Midtown Campus Project

Public listening sessions were held 7/21-22 and will be followed by workshop sessions in September. A&A was represented at all sessions.

Issues of concern include:

- What exactly does the LINC overlay mean in terms of public participation in the planning process? Is it administrative only?
- How can/should the League speak concerning open meeting and/or transparency issues?

Efforts are continuing to obtain historical information on costs for the project. The committee is in contact with Susan Boe of FOG on this.

County

Judy Williams gave an update on the recently opened County Crisis Drop-in Center. It is open during daytime hours.

SFPS, SFCC

Mary Ellen Gonzales and Irene Epp are actively looking for volunteers to cover these Boards.

Priority Matrix

Members reviewed the matrix as revised following the July meeting and recommended further edits. Chris will submit the final draft to the Board at its 8/17 meeting.

Special Projects Updates

Outreach – Hannah introduced the committee to the Outreach Circle app.

Civil Discourse – Irene Epp continues to update the committee on activities of the project team.

Submitted by Chris Furlanetto, August 15, 2021
