

DRAFT Report from Nominating Committee
April 16, 2024

The committee met three times during the period January-March 2024 to develop a slate of candidates for election at the Annual Meeting. Also after interviewing members of the Leadership Team, the committee has formulated an additional recommendation for Board consideration.

Members of the committee met in person or via phone with the existing Leadership Team to determine their interest in continuing to serve, to gain input on potential new candidates for open positions and to solicit feedback on current team structure and function. In addition, meetings were held with League members who were identified as potential candidates for open positions.

Nominating Committee Recommendation to the Board:

The Nominating Committee is aware that there has been discussion at the Board level to pursue funding for a paid position to manage and further develop our League's social media portfolio. Based upon our committee interviews, we fully support that endeavor and believe it will significantly free up members of our volunteer Board to use their talents in ways that better support the mission of the League. The addition of a position of this type may also enhance recruitment of members to work on specified Board projects and/or volunteer to serve as a member of the Board.

Respectfully submitted,
Joann Volinski
